

Offshore wind power

Public Exhibitions

The Walney and Ormonde offshore wind farm projects are holding the following joint public exhibitions to present details of the construction of their wind farm developments off the coast of Cumbria.

The Forum

Barrow-in-Furness, Cumbria LA14 1HH
Wednesday 10th February, 2pm - 7pm

St James Centre

Heysham Road, Heysham LA3 2BN
Thursday 11th February, 2pm - 7pm

Presentations will be given on the half hour throughout the day and a team of experts from the Walney and Ormonde offshore wind farm projects will be available to answer questions and explain details of the individual projects.
